

Griifish Isles
Combook, 2018

Welcome to the Griffish Isles

Hello! Pleased to meet you! My name is Bobbie and I am a friendly police griffon from a little island in Equestria called Griffish Isles. It's quite close to Trottingham, where UK PonyCon will be held this year. Griffons are a proud bunch but they could do with some cheering up. So I thought I'd put on a convention and spread the joy of friendship! I got some of my griffon friends to help, found some willing ponies too and we've already made so many friends while planning this, before the event's even started! Maybe you'll find your future friends here too?

We have so much planned! We hope those of you who went enjoyed the pre-meet and there's plenty more fun today, just look at the schedule in this booklet to see what you can do. We also flew in Mistmane (and have the wing cramps to prove it). She looks very different in real life, but we promise it's her!

If you have any questions or concerns, please feel free to ask at the front desk or flag down a roaming member of staff (provided they don't look too busy). They are the ones in blue t-shirts.

Thanks

We would like to thank the venues and their staff for providing us with a space and helping to set it up and keep everypony safe, Elley Ray and Lee Tockar for agreeing to take part in this event, the vendors and volunteers for their work in making the event run, our artists for providing their work for our conbook, flag, and shirts, and most importantly the attendees - without you there wouldn't be a Griffish Isles at all! Code of Conduct

Under 18s must be accompanied by an adult and as much as we would love to party with you, you can only stay until 8pm. Please don't buy alcohol or have anyone buy it for you. If you look under 25, you may be asked for ID.

There will be no assaulting, harassment, or general meanness to staff, guests, volunteers, or other attendees. If this happens to you, please flag down a staff member.

You may be photographed or videoed while taking part in the convention. However, please be respectful towards cosplayers, and ask permission before taking their photograph.

Only ticket holders may be allowed to take part in the convention. Please make sure you keep your wristband on you throughout the day, as you may be asked to leave or may not be allowed to enter the night venue otherwise. If your wristband is damaged, you can get a new one at the front desk.

Only those with vendor tickets can sell at this con. Any hugs offered must therefore be free.

Please be considerate toward our younger guests and behave appropriately. We griffons love our cosplay, and look forward to seeing your creations! However, please be aware that children may be present; keep things decent. When including weapons in your cosplay, there should be nothing real, nothing sharp, and prop guns should have a brightly-coloured tip. Also, if your cosplay involves body paint please be considerate of the furniture.

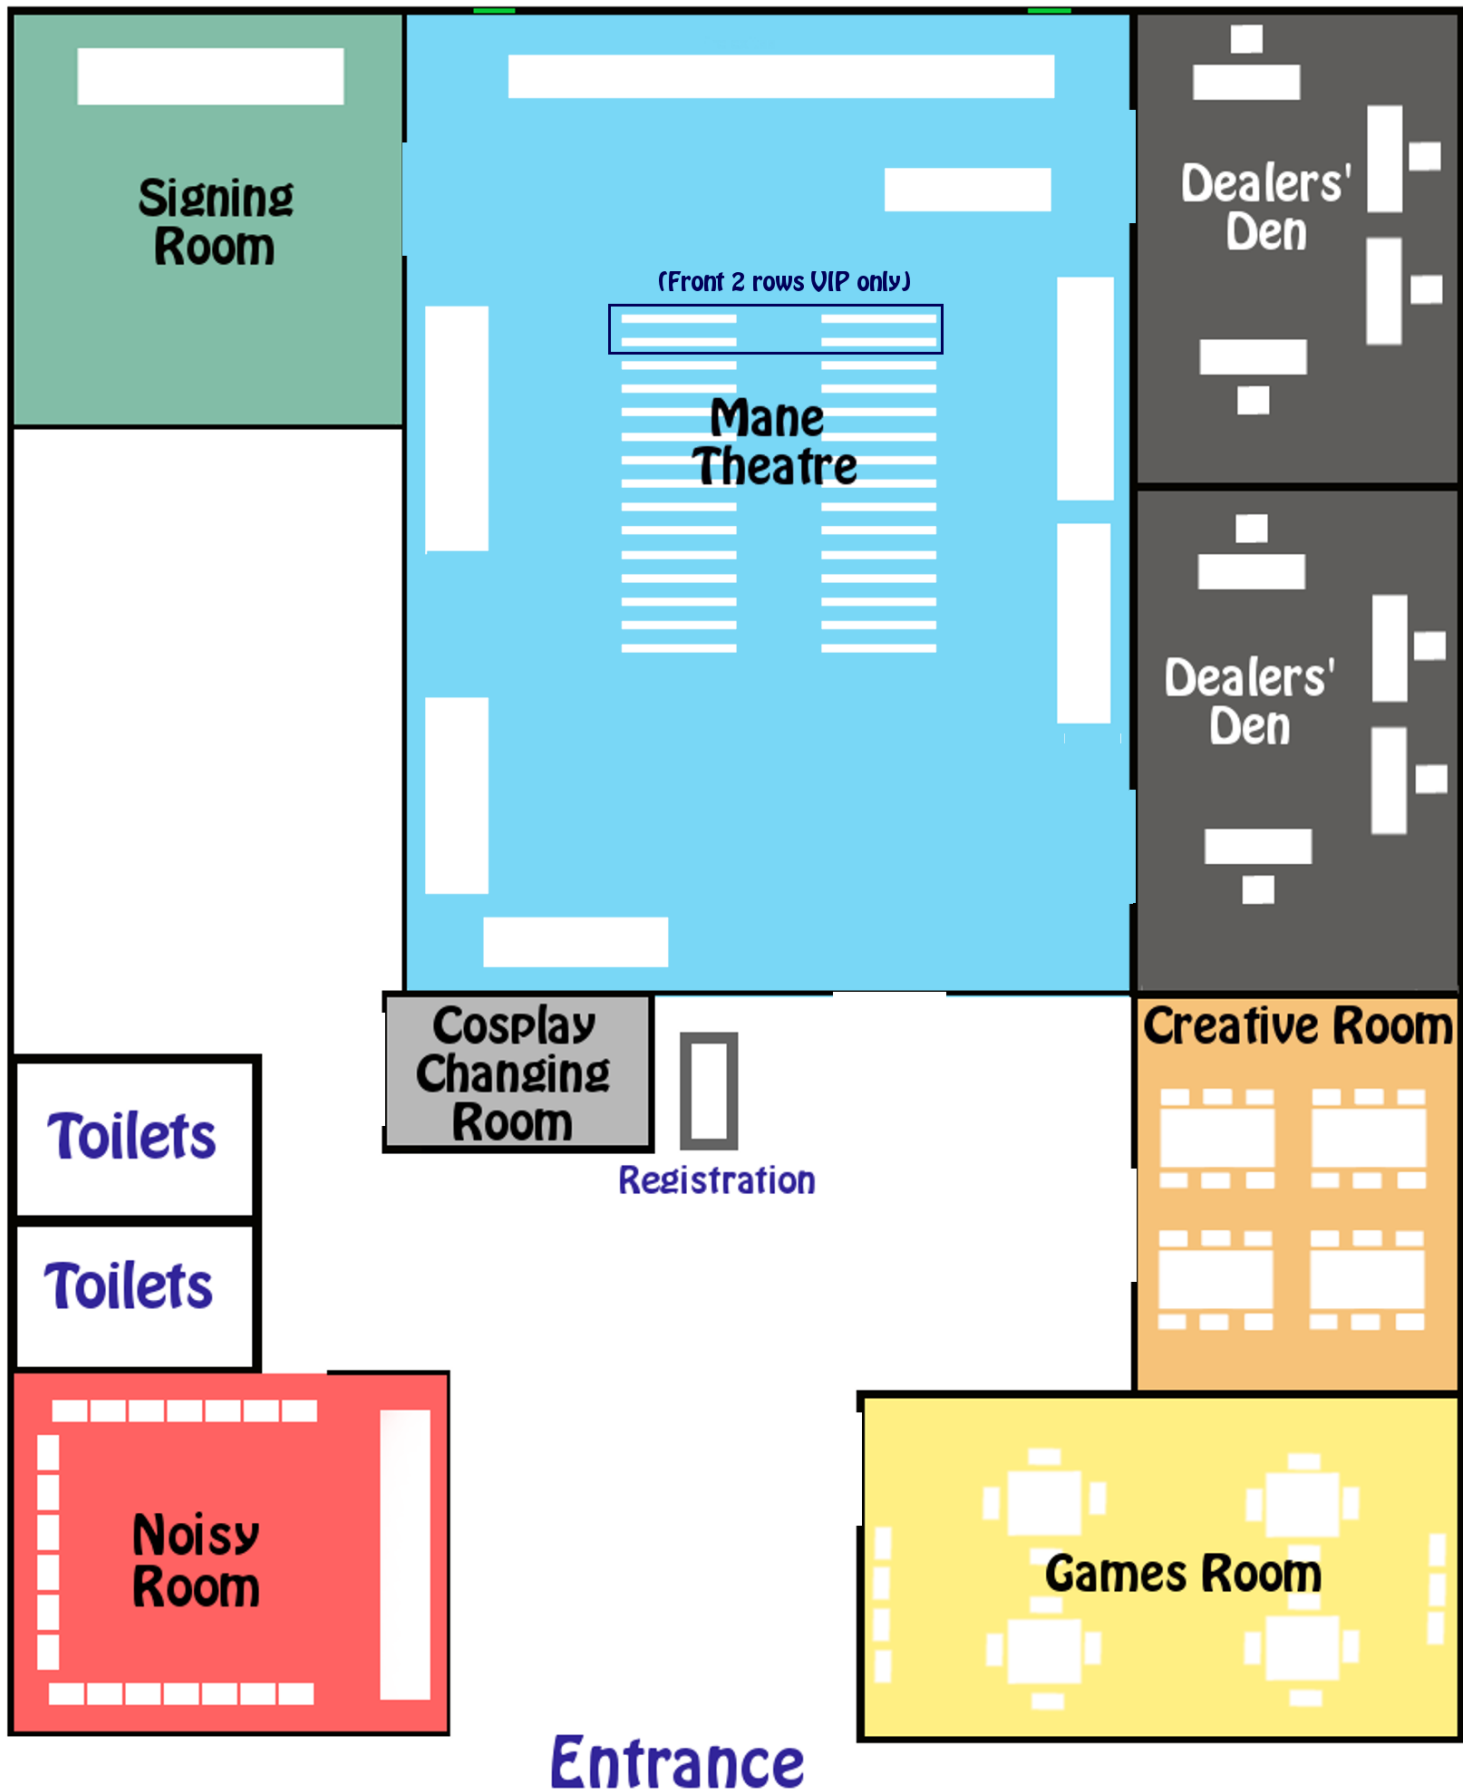

You can take food and drink into the day venue, but not into the night venue. However, there is a bar that serves food and drink at Powerleague as well as several eateries nearby.

Attendees will be responsible for their own belongings. Unfortunately there is no cloakroom at either venue.

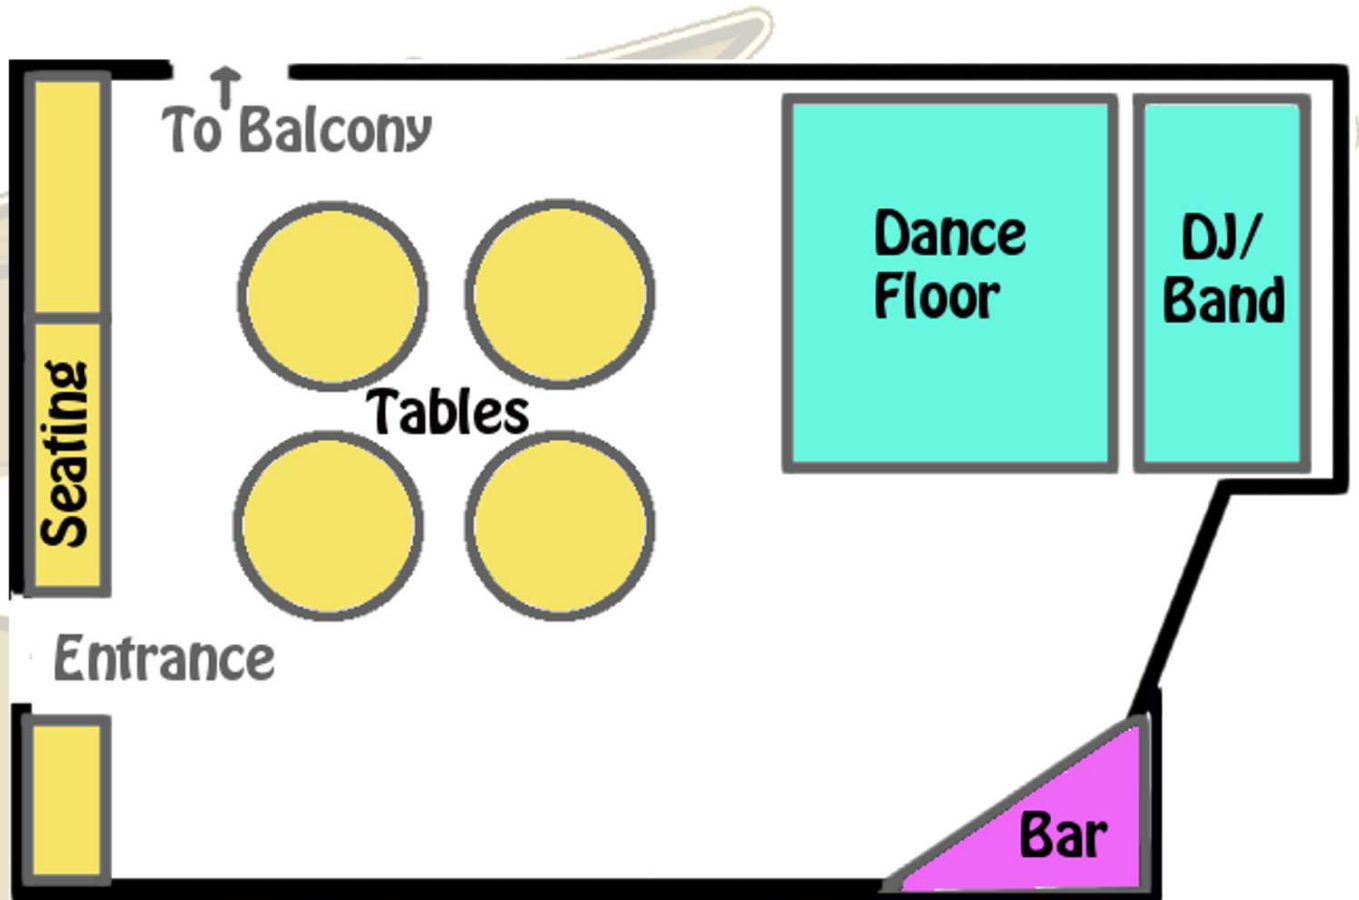

We are not responsible for squeaky truncheon attacks by overenthusiastic mascots.

We are law-abiding griffons, and as such any attendees engaging in illegal activity, carrying items prohibited by UK law, or in an extreme state of intoxication may be asked to leave the premises. If you are removed from the premises, tickets will not be refunded.

Not The Toilet Roll Game *Noisy room Time: 12pm*

Bring a gift of £5 value and try your luck! Gifts are placed in the centre and everyone is assigned to a team - Earth ponies, Pegasi, or Unicorns. Pick a gift, then an Earth pony has their gift given to a Unicorn and they get a toilet roll. Then team names for each player are drawn. If yours matches your team name, you miss a turn. Otherwise, you have to swap your gift with that team. Will you get one gift, two, or will you get the toilet roll?

Plushie making *Creative room Time 2pm*

FishieWishes of Sew Wishful crafts talks about the art of crafting little plushie friends.

Intro to Pony Fursuiting *Mane Theatre Time: 1.30pm*

Always wanted to be a real pony? Unfortunately, fursuits are the closest thing we have. Phil Sims will show you how to get started making a fursuit and will give you some general tips on how to make the most of wearing the suit and being your new pony self.

Karaoke *Noisy room Times: 10am-12pm, 2pm-4pm and Powerleague Bar Time: 8pm-9pm*

Art competition *Creative room Time: 3.30pm*

Can you draw well? Prove it here for the chance to win a prize! Judged by Stormblaze

Voice Call *Mane Theatre Time: 3.30pm*

Freaks, Geeks or Heroes? How the media portrays Pony fans *Mane Theatre Time: 12pm*

Dr Andrew Crome, a Lecturer in History from Manchester Metropolitan University examines the ways that fans have been portrayed – from coverage of early G1 collectors, to the most recent reporting on Bronies. How have fans reacted and are these press views accurate? And as it addresses fandom in episodes like “Fame and Misfortune” with characters like Quibble Pants, what does the show say about its own fans?

Elley-Ray will sign your stuff! Autographs are £10, selfies are £15.

CCG trading and learn to play *Games Room Time: 11am*

Buckball

Ever since its debut in the episode "Buckball Season", humans have wanted to have a go at this fun pony sport. Unfortunately, they lack the wings and magic of Pegasi and Unicorns so they've made a version they can play, which we will be playing at the convention! If you don't know how to play, here are the rules:

If there are 6 players, each team has an attack, a defend, and a goal player. If there are only 4 players, each team has an attack, and a goal player

Game Start

Referee will allocate which team is A or B based on a coin toss and the game starts with a Buckoff. The Referee stands between the two attack players, and bounces the ball into the air. Both Attack players have equal chance to catch the ball, or throw back to their defender.

A ball bouncing on the ground before it reaches a defender has Left Play. In this case, the Referee will throw the ball to the nearest defender or attacker. This in most cases will be the opposing team.

Movement

Attack is allowed to move inside the allocated area freely without holding the ball at any time. They can move in the area with the ball, provided they bounce the ball every 2 steps

Defenders and Goal Keepers are allowed to move inside the allocated area freely without holding the ball at any time, but not if in possession of the ball

All players must have their feet inside the their allocated area at all times and must not touch another player, except for Attack in a Buckoff only at the discretion of the referee.

Any violation of the Movement rules is a Foul and the opposing Attack player will be given the ball by the Referee. If the Referee deems the Foul major, a point will be awarded to the innocent team and a Buckoff will then occur.

Scoring

The Goal catching the ball with their hands/basket will score a point unless a foul has been committed by your team. If the ball bounces out of a basket it does not count.

When a point is scored, it will be added to the team's total. Then a Buckoff will occur, unless max score is reached (6 points). When a team reaches 6 points, a set is awarded and both teams will swap ends of the pitch. When a team wins 2 sets, they win the game

Guests

Elley-Ray Hennessy

Elley Ray Hennessy is the voice of Mistmane, the legendary unicorn who sacrificed her beauty in MLP Season 7 to help her village and her friend. Elley Ray is a talented voice actress and coach who has been working in film, theatre, and TV for over 30 years. You may have heard her voice in The Care Bears Family and The Bagel and Becky Show. She has also written Butterfly Kisses, a book of motivational quotes.

Elley Ray will be appearing in person at Griffish Isles, where she will be available to answer your questions, sign your items and perhaps help you develop your own voice acting skills! As an experienced coach, this is an excellent opportunity if you're interested in acting or voice work.

Autographs will be £10 and you can take selfies with her for £15.

Lee Tockar (voice call)

Lee Tockar is the voice of Snips, Steven Magnet, Gummy, Coriander Cumin, and many more! He has also voiced characters on an impressive range of cartoons, anime, and video games. Away from voice work, Lee is an artist whose work has been featured in exhibitions and an author of children's literature.

Lee will be joining us through Skype to answer your questions. Like Elley Ray, he is also experienced at coaching voice actors so you can get another perspective into the industry!

The voice call will be at 3.30pm in the Mane Theatre.

Charity Auction

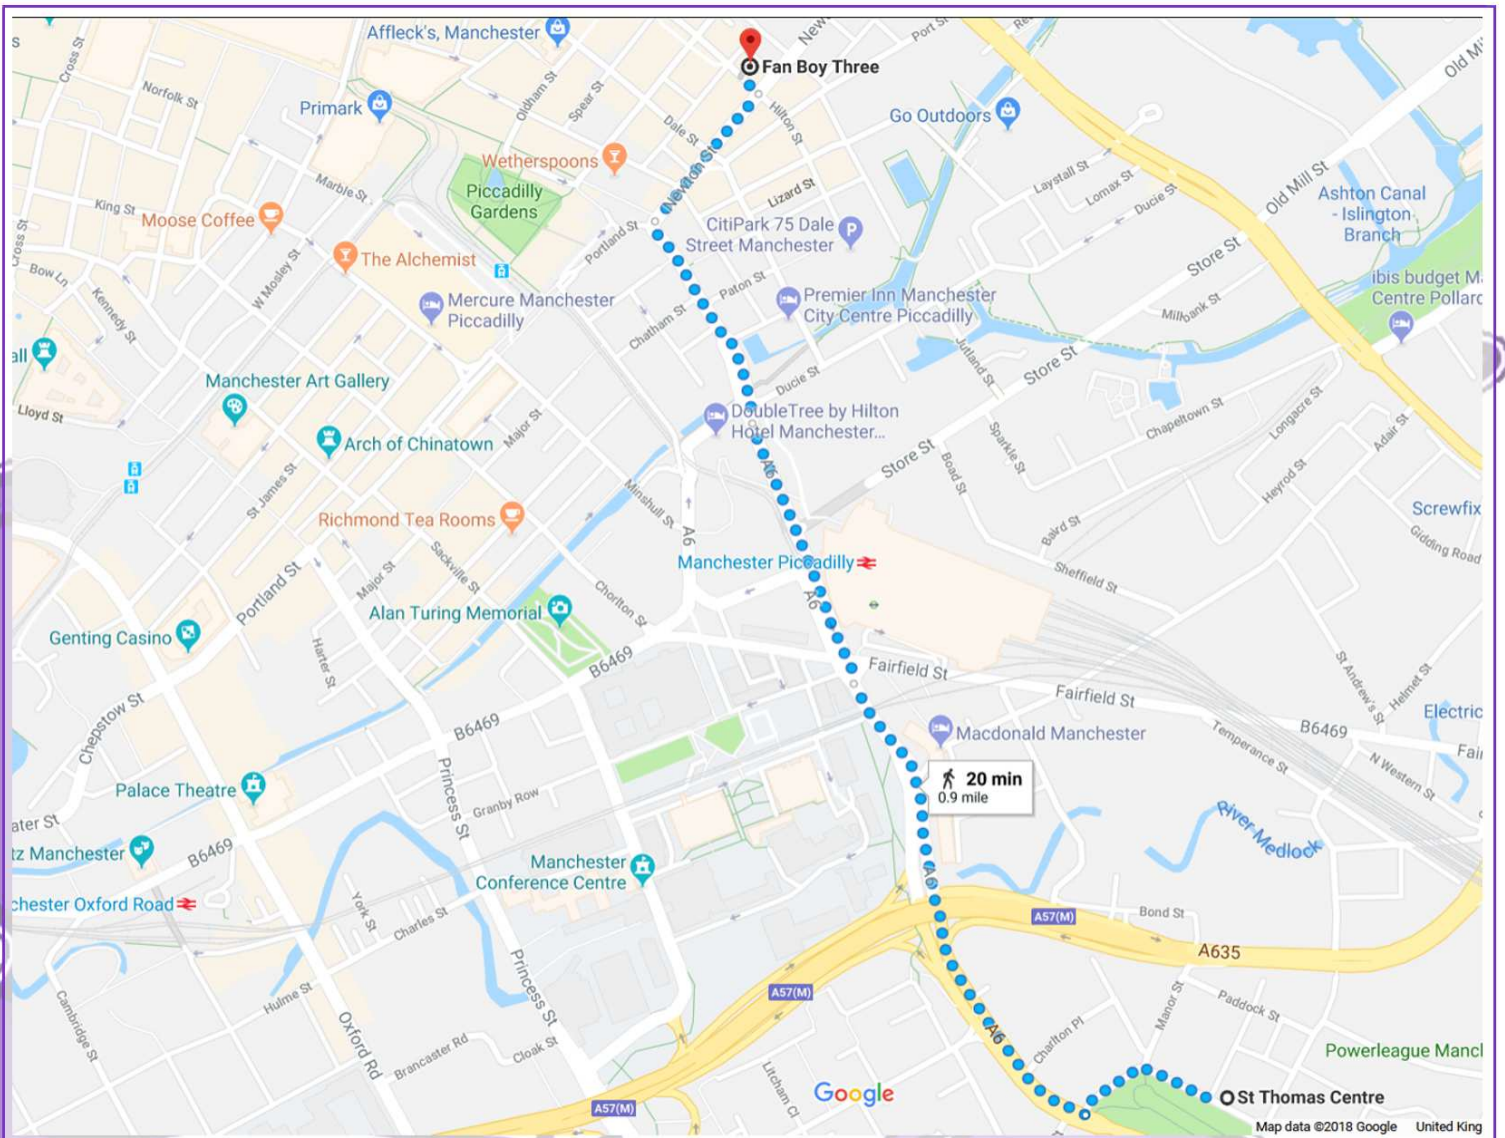

Griffish Isles is sponsoring a local charity called GMCVO (Greater Manchester Centre for Voluntary Organisation). This organisation supports volunteer efforts (including community and faith work) in Greater Manchester by promoting diversity, sharing information through training and peer networks, and providing a structure for co-ordination and partnership between organisations. They have been working to improve the quality of life of local people since 1975 and manage the St Thomas Centre, our day venue.

Painting by BunnyPony

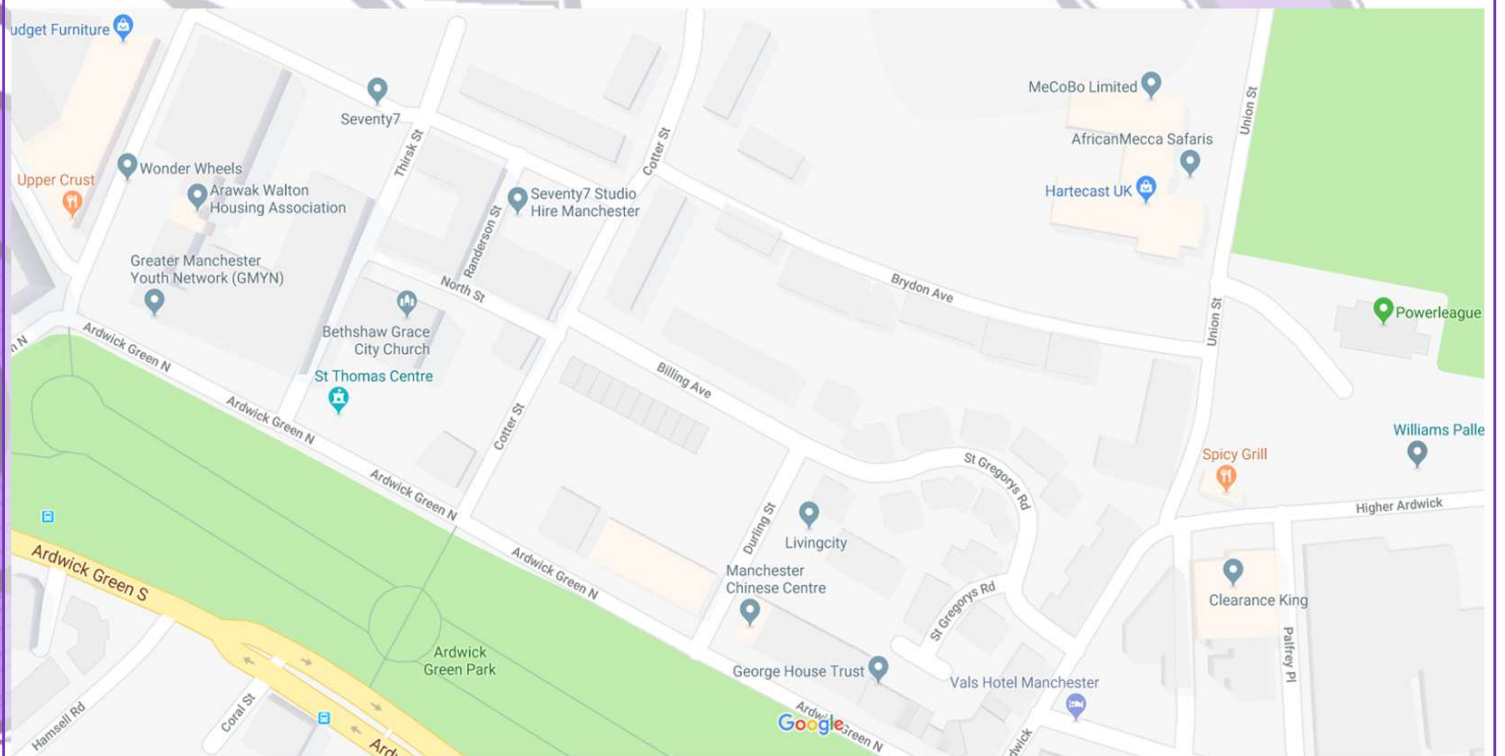

We will be holding a silent auction to the right side of the mane theatre, where the My Little Rock Band competition is also being held. There you can bid on unique items crafted by the community, such as PuffySmosh and The Manic Sculptor. All of the proceeds of this auction, as well as any profit made by the convention, will go to GMCVO. The auction will end at 4pm and winners will be notified in the closing ceremony!
